

# MUNICIPALITY OF BOLTON-OUEST

## VACANT POSITIONS

### **Agroforestry Committee**

The Agroforestry Committee is looking for potential candidates to fill a few positions presently vacant.

A relevant experience in the field of agroforestry is a must. The committee has the power of recommendations in the field of agriculture and forestry. Thus, accountable to the Council.

The Agro-Forestry Committee is formed in the collaboration of the Municipal Council to help develop ways to raise awareness of the cultural and rural heritage in order to preserve the rural and environmental legacy, promote land use and attract specialized farmers with a view of supporting agriculture niche as expressed by the citizens during the Strategic Development Plan process. The protection of the environment and our landscape must always be at the heart of the recommendations.

The committee is composed of the Mayor, a Councillor and at least two citizens and one member of the municipal administration. The term of the mandate is two years and is renewable. The nominations will be made by resolution at the next Municipal Council meeting due to take place June 6<sup>th</sup> 2016.

In order for a decision to be adopted, it must be passed by at least 50% + 1 of the voting members. The voting members include the Mayor, one Councilor and the citizens involved in the Committee. The Mayor presides over the meetings. If absent, the Councilor presides over the meetings. To make a decision, at least 50% + 1 voting members must be present. The committee meets every two months. The Municipal Council may also appoint the committee to someone whose services may be required for its functions. The council may vote and supply to the committee the money it may require to perform its functions.

If you are interested to join a dynamic and supportive team, please let us know by writing to the Director-General, M. Philippe De Courval at [dg@municipalitedeboltonouest.com](mailto:dg@municipalitedeboltonouest.com) to share your past experiences in the field of agroforestry.

Please note that we will not accept applicants past May 23<sup>rd</sup> 2016 after 4: 00 p.m.
