

# MUNICIPALITY OF WEST BOLTON

West Bolton, August 20<sup>th</sup> 2015

## PUBLIC PRESENTATION ON THE STRATEGIC DEVELOPMENT PLAN

Dear citizens,

Like so many of you already know, the Municipality of West Bolton, through Trigone firm, undertook a project aiming to elaborate a strategic development plan. Thus, having realized the municipality diagnostic, a public consultation was held May 23<sup>rd</sup>, where almost 110 citizens participated. Initiating from the results of that consultation, as well as the diagnostic, a work committee was formed of citizens, elected officers and employees of the municipality who gathered for a period of two days to list the goals and actions of a Strategic Development Plan. Those steps now completed, it appears that our next move is to invite the citizens for the presentation of our last updates.

Thus, it is with great enthusiasm that the Municipality of West Bolton invites all of you to come and assist to a public presentation that will be held August 29<sup>th</sup> 2015, 9 o'clock, at the United Creek Church, located on 278 Brill Road in West Bolton.

Best regards,

Philippe De Courval  
Director-General  
Secretary-Treasurer
